WELCOME BACK ST. MARY FAMILIES!

We are so excited to begin a new school year! We hope to build on the strong skills and success of our previous board members to bring St. Mary families fun activities and events that build community engagement. We have been hard at work over the summer planning for the year ahead and we look forward to sharing more details about the events that we have developed. If you have any ideas, would like to volunteer or have questions please do not hesitate to reach out to any of the members of the H&S Board at any time.

WHAT IS HOME & SCHOOL?

The St. Mary Home and School Association is a non-profit, parent volunteer organization that works to promote school spirit and cultivate community through a variety of activities throughout the academic year. We are a non-profit organization and all funds generated from dues and events benefit the school and your children directly.
